## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 9-10 & 13-14 are allowed [ renumbered as 1-4 ].
2. The following is a statement of reasons for the indication of allowable subject matter:

There is no prior art that shows claim 9 recites a car driving assistance apparatus for: rendering an image in front of a car, based on the image, determining an existence/absence of an obstacle in front of the car, and executing control to selectively response to the obstacle, wherein the image is acquired by the car-mounted imaging apparatus, and wherein, if an obstacle is detected, the frame rate is increased.

In claim 10 claims a car driving assistance apparatus for:  
imaging an image inside a cabin of a car,  
based on the image, determining at least one of whether a driver is a registered driver, whether a person exists in a assistant driver's seat, and whether a person exists in rear seats, and based on the determining, executing control for at least one of burglarproofing of the car, inhibiting expansion of an air bag of the assistant driver's seat, and an effective operation of an air conditioner, wherein the image is acquired by the car-mounted imaging apparatus.

In claim 13 requires a car driving assistance apparatus for: rendering an image in front of a car, based on the image, determining an existence/absence of an obstacle in front of the car, and executing control to selectively response to the obstacle, wherein the image is acquired by the car-mounted imaging apparatus, and wherein the area designation means designates the area in the imaging means associated with a speed of the car.

In claim 14 claims the system is a car-mounted imaging apparatus comprising:  
a car driving assistance apparatus for: imaging an image inside a cabin of a car, based on the image, determining at least one of whether a driver is a registered driver, whether a person exists in a assistant driver's seat, and whether a person exists in rear seats, and based on the determining, executing control for at least one of burglarproofing of the car, inhibiting expansion of an air bag of the assistant driver's seat, and an effective operation of an air conditioner, wherein the image is acquired by the car-mounted imaging apparatus.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
